SCHEDULE

PART I - STATEMENT OF WORK

The Contractor shall accomplish the work set forth in Exhibit "A" attached hereto and made a part of this contract.

PART II - DELIVERY

The Contractor shall perform the work set forth in Exhibit "A" in accordance with the schedule set forth thereins and make delivery of the data at the required times.

25X1

PART III - ESTINATED COST AND FIXED FEE

A. The total estimated cost for the performance of this contract, exclusive of fixed fee, i

B. The total fixed fee for the performance of this contract

PART IV - PAYMENT

A. In accordance with the provision of Clause 4 of the General Provisions of this contract entitled "Allowable Cost, Fixed Fee, and Payment," the Government shall pay the Contractor, as full compensation for the performance of this contract, the fixed fee specified in PART III, above, and the Allowable Cost incurred by the Contractor in performance of this contract and accepted by the Contracting Officer as chargeable in accordance with "Contract Cost Principles, Section XV, Part 2, Armed Services Procurement Regulations," such determination being subject to the provisions of this contract entitled "Disputes." It being understood and agreed without limiting

the generality of the foregoing, that the following shall be considered as allowable items of costs incurred or paid by the Contract, when necessary and required, and used for the performance of work hereunder:

- (1) These costs as described in Clause 39 of Section A of the General Provision hereof, entitled "Allowable Cost."
- B. For purposes of billing current cost incurred under the contract, provisional payment on account of all overhead will be made on the basiss of billing rates acceptable to the cognizant military audit agency pending establishment of final overhead rates in accordance with Clause 41 of Section A General Provisions hereof entitled "Negotiated Overhead Rates."

SECRET

Approved For Release 2008/12/29 : CIA-RDP67B00074R000500150009-8

- C. Overhead Periods. The periods as contemplated by paragraph (b) of Clause 41, Section A, General Provisions hereof, entitled "Negotiated Overhead Rates" shall be for the periods of twelve months and the first period shall extend from 1 January 1962 through 31 December 1962.
- D. Centractor shall be paid the fixed fee stated in PART III hereof in installments based on allowable costs incurred by the Contractor and approved by the Contracting Officer computed at the same ratio that the total fixed fee stated herein is to the total estimated cost stated herein, subject, however, that after payment of ninety percent (90%) of the fixed fee set forth in PART III hereof. further mayment on account of the fixed

less, shall have been set aside. Contractor shall be paid one hundred percent (100%) of all allowable costs by progress payments on vouchers submitted monthly or more often to the Contracting Officer.

PART V - ANTICIPATORY COSTS

All costs which have been incurred by the Contractor on or after 26 Publi 1962, in anticipation of and prior to the signing of this contract, and which, if incurred after the signing of this contract, would have been considered as allowable costs hereunder, will be considered to have been incurred under this contract and shall be payable hereunder.

PART VI - WAIVER OF REQUIREMENTS OF GENERAL PROVISIONS

Notwithstanding the requirements of any of the General Provisions of this contract to the contrary, whensever the Contractor, in performance of the work under this contract, shall find that the requirements of any of the clauses of the General Provisions are in conflict with security instructions issued to the Contractor by the Contracting Officer or by his duly authorized representative for security matters, the Contractor shall call the attention of the Contracting Officer to such conflict and the Centracting Officer or his duly authorized representative for security matters shall (i) modify or rescind such security requirements or (ii) the Centracting Officer shall issue to the Centractor a waiver of compliance with the requirements of the General Provisions conflicting with such security requirements. Any waiver of compliance with the General Provisions of this contract issued by the Contracting Officer shall be in writing, except that the approval by the Contracting Officer of any subcentract issued hereunder by the Contractor shall be deemed to constitute approval of waiver of any clauses of the General Provisions in conflict with the stipulations of such subcontract.

PART VII - SPECIAL SECURITY RESTRICTIONS

The Contractor shall not reveal (1) the specific nature or any details of the work being performed hereunder or (ii) any information whatsoever with respect to the department of the Government sponsoring this contract and the work thereunder except as the Contractor is directed to reveal such information by the Contracting Officer or by his duly authorized representative for security matters, and, notwithstanding any clause or section of this contract to the contrary, the Contractor shall not interpret any clause or section of this contract as requiring or permitting divulgence of such information to any person, public or private, or to any officer or department of the Government without the express consent of the Contracting Officer or his duly authorized representative for security matters.

Section B

- B.1 Patent Rights
- B.5 Data
- B.7 Authorisation and Consent
- B.18 Ammunition and Explosive Material Safety
- B.20 Safety and Accident Prevention
- B.21 Notice of Radicactive Materials
- B.22 Preparation of Dangerous Materials for Shipment

Section D

All sections.

25X1

EX	HIBIT "A"	,
CONTRACT N	о. JM-1 930	

25X1

A. Contractor shall perform the work set forth below and furnish the data and reports as set forth herein.

Item I - General

- A. The Contractor shall furnish engineering services and materials as necessary to accomplish an engineering design feasibility study for the RS missile, airborne computer, missile auxiliaries, associated displays and controls and additionally, to prepare an integrated design for the armament system within the general ground rules and limitations as specified during the week of 11 February 1962, or as may be subsequently modified.
- B. This effort will result in the submittal of a preliminary design no later than 1 June 1962 for: 1) the RS missile development, 2) the development of the airborne computer, missile auxiliaries and associated displays and controls, 3) the integration of the armament system.
- C. The preliminary design document shall include, but not be limited to, the following items:
 - 1. RS missile engineering design study and performance estimates
 - 2. Armament system design, integration and performance
 - 3. Ground support equipment concept for armament and system
 - 4. Development program plan and schedule
 - 5. Management Approach

Contractor proposes to manage the RS development program within the AAL of the ASD and to use the management techniques which have been developed and applied for the Standard System project. Program manager will be Maximum use will be made of the existing management structure consistent with non-interference to the present program. Thus, requests for additional clearances will be minimized. In the systems engineering area, a group of key personnel will be integrated into the organizational structure to perform the systems integration task. Additionally as systems and physical interface activity phase out for the current program, personnel within the existing systems organization will be redirected to perform similar tasks as may be necessary for the RS system on a non-interference basis.
